

Research Council of Finland

Call for Inviting researchers from Ukraine to Finland 2024

The action plan must be written in this PDF template. It must be submitted as an appendix on the tab 'Research plan' in the online services. See the How-to guides for the online services on our website for the technical instructions.

Read the [call text](#) carefully before you start writing the plan. The instructions and structure provided must be followed to ensure the equal treatment of applicants. A sloppy application (e.g. funding not justified) may deflate evaluation result.

Action Plan

Name of applicant

Year of PhD

Organisation

Name of invitee

Year of PhD

Name the university, research institute or other organisation in Ukraine where the invitee was **affiliated** on 24 February 2022 or is currently affiliated

Name the university, research institute or other organisation in Ukraine, Finland or another country, where the invitee was **doing research** on 24 February 2022

Invitee's current situation

- Country of current location
- Organisation (if any)
- Project (if any)

Invitee's current funding

- Source
- Duration until (dd/mm/yyyy)

**Planned visit**

Is the invitee already in Finland yes no

If the invitee is not in Finland, when could s/he arrive? (dd/mm/yyyy)

How many months the visit (for which the funding is applied for) will last?

Presentation of research project

Describe the research project to which the work of the invitee will be or has been linked to (max. ca 10 000 marks including spaces)

- Aims and objectives of the research project
- Invitee's planned role in the project
- Schedule for implementation of the research project
- Outline of the core research funding for the project (source and amount granted/applied for/to be applied for). Indicate clearly (with a project number), if the project is funded by the Research Council of Finland (e.g. an academy project).

Specification of funding to be applied for from the Research Council of Finland

Give information in the table below. Same information will be asked in the application form, but in a different way.

Instructions

- The travel expenses may include travel to Finland if the invitee is not already in Finland, local transport fares in Finland and return travel to Ukraine or another country after the visit.
- The Finnish research site may provide all or part of the funding to the invitee in the form of a grant, depending on the site's policy. However, the funding may not be paid as a salary.
- Funding is not intended for research costs or conferences.

Cost item (during the funding period)	Funding to be applied for (€ per cost item)	Specification
Travel expenses		
Living expenses (incl. accommodation)		
Insurances (if any)		
MYEL charge (if any)		
Tax consequences (if any)		
Other costs (if any)		
Total funding to be applied for (€)		

Explain the basis for the sums applied for (e.g. travel guidelines of your own organization):
